

TRIBUTE TO FRANCES HUMPHREY

*M*ISS Frances Humphrey, head of the Girls' Physical Education Department of Reno High School, has been responsible for maintaining the enthusiastic interest that has always been shown in girls' athletics. Her first-hand knowledge of athletic conditions in the state and her encouraging attitude have made her a great factor in the development of girls' sports.

We wish to thank Miss Frances Humphrey, our loyal advisor, constant comrade, and respected teacher, hoping that some time we may show our appreciation of her tireless efforts in our behalf; of her willingness always to help us prosper, and of her steady, inspiring gift of friendship that will forever remain within our hearts. Above all, she has taught us the lesson of sportsmanship, and has exemplified it, herself, in every way.

A native of Carson City, Nevada, she was born on June 29, 1904, the daughter of Frank and Marguerite Humphrey. She attended elementary schools in Manhattan, Carson City and Reno. She graduated from Reno High School in 1922 and then from UNR in 1926.

Her teaching career lead her to Northside Junior High from 1927-1931. She then went to Reno High School where she taught from 1931-1965, and was a counselor there from 1951-1965. After her retirement in 1965, she was a sub for Reno High and Wooster for ten years.

Ms. Humphrey was a member of Kappa Alpha Theta, the Retired Teacher Association and St. Stephens Episcopal Church. Survivors include her nieces, Janette Miller of Gardnerville and Barbara Scovill of Boulder City; 2 great nephews; 3 great great nephews; and 1 great great great nephews.
